

Personal Assistant Road Show – January and February 2018

Q: What is a Personal Assistant (PA)?

A: A PA is someone who supports a person in their home and out in the community.

Q: Who can be a PA?

A: Anyone who has a desire to support and care for people can be a PA.

Q: What does a PA role involve?

A: Every role is different because each person who needs support is different, lots of people like to have support to go out and about, some need help at home, some need help with personal care.

Q: How does it work?

A: From our website you chose roles that suit your life, skills and experience, it's a mutual agreement between you and the person you are supporting. We support you both with information, advice and guidance.

Q: What is the rate of pay?

A: This often depends on the role, we recommend hourly rates of pay of £9 to £11 per hour.

If you would like to know more we will be in cafes and community centres throughout the city, dates and locations overleaf. No need to book, just come along to have chat about what's involved. There is no obligation for you to sign up. If you'd like to find out more in your own time here is our website www.portsmouthpan.co.uk or call for a chat 023 9243 7896.
