

# PA *catch up!*

**Thursday 5 April  
2pm – 3.30pm  
Civic Offices**

**Have a cup of tea,  
meet other PAs,  
ask your questions,  
share your experience.**

During our PA Noticeboard Roadshow, lots of PAs said they'd really like to meet other PAs and hear their experiences, so on 5<sup>th</sup> April we're hosting our first PA Catch Up to do just that!

We'll have talks from some experienced PAs who will share their experiences, and it'll be an opportunity to chat with other PAs, and get support from us if you need it.

We will also be presenting a first draft of our new "Guide to Becoming a PA" booklet for your feedback and contributions. We all know entering the PA world for the first time can be daunting so our new guide aims to show new PAs they're not alone.

We're looking forward to seeing you there! If you can't make this one, the next PA Catch up will be in June.

Come to the Civic Offices (opposite the Guildhall), Ground Floor Meeting Room 5.

As you enter the main reception area turn right, and Room 5 is at the end of the corridor.

The reception team will be happy to help if you need any assistance.
